🌐 github.com/sanskar2057

SUMMARY

Dynamic IT professional skilled in system administration, troubleshooting, and end-user support. Proven expertise in full-stack development using MERN Stack, Next.js, and Nest.js, with a focus on building efficient, user-centric solutions. Adept at adapting to innovative technologies to enhance organizational IT infrastructure.

EXPERIENCE

Arclogi Pvt. Ltd., Frontend Developer

05/2025 – Present | Kathmandu, Nepal

- Frontend Developer specializing in React; built and maintained multiple production projects.
- Developed key features for large-scale e-commerce platforms.
- Worked on internal management systems like dashboards and workflow tools.
- Implemented real-time features using WebSockets where needed.
- Optimized UI performance and enhanced overall user experience.
- Collaborated with backend and product teams to deliver high-quality features.

Josan International, Full Stack Developer

07/2024 – 02/2025 | Remote

- Engineered frontend applications with Next.js, delivering seamless and responsive user experiences.
- Designed and optimized backend systems using Node.js and PostgreSQL for efficient data management.

Deerwalk Institute of Technology | Edutech Nepal,

11/2024 – 12/2024

Teaching Fellowship

Chaurjahari, Rukum (West)

- Revitalized school's computer lab by configuring operational systems and proposing solutions for damaged hardware.
- Trained students (grades 6-10) and teachers in computer literacy, emphasizing typing skills and productivity tools (MS Word, PowerPoint).
- Lead workshops on troubleshooting and computer usage, boosting digital proficiency in a rural setting.

Deerwalk Compware, Full Stack Developer

12/2023 – 07/2024 | Kathmandu, Bagmati

- Developed responsive frontend interfaces and robust backend systems, ensuring seamless integration for web applications.
- Collaborated with designers to implement UI/UX designs, optimizing performance across browsers and devices.
- Enhanced Deerwalk Jobs portal (jobs.deerwalktrainingcenter.com) with clean, maintainable code using Next.js and Nest.js.
- Conducted code reviews and debugging to uphold high-quality standards.

EDUCATION

Deerwalk Institute of Technology,

11/2024 | Kathmandu, Bagmati
